Eccles Joins AgIS Capital Team

June 14, 2018: Announcement by Jeffrey A. Conrad, President and Founder

I am very pleased to announce that Dan Eccles will be joining the AgIS Capital team effective June 25, 2018 and will serve as Vice President of Finance.

Dan was formerly Director of Finance and Administration at Breakway LLC. He brings more than 15 years of experience to his new role and will work closely with Carolyn Bailey, AgIS Capital's CFO, on a range of internal and client accounting and finance activities. In addition, he will assume oversight responsibilities from Carolyn for our various compliance functions and obligations.

Earlier in his career, Dan served with me and others from AgIS as a member of the Hancock Agricultural Investment Group, where he was Principal Accounting Officer and Controller. That five-year tenure in the institutional agricultural investment sector, combined with his experience at Breakaway, and the knowledge and perspectives he gained in previous finance and accounting roles with Bain Capital, Eaton Vance and the Boston Bruins, position him well to make an immediate and significant contribution to our efforts.

Dan is a graduate of Suffolk University where he earned a BSBA in Accounting. He also holds an MBA from the Franklin W. Olin Graduate School of Business at Babson College.
